My dear Sir,

The large Chatram in Bisle is in need of repairs, some items of which such as the stopping of leakage and provision of cisterns are urgent. I had asked Mr. Nijagal, Assistant Engineer, to send me an estimate which he has done, and I send it to you for disposal. The building is in need of early attention as very little seems to have been done to it for some years

If you are able to provide the funds and want me to carry out the work, I shall ask Mr. Nijagal to do so as he will have to visit Bisle often on account of the Estimate for improving road which he has on hand

present.

Yours Sincerely
(Sd) L. A. Mahadeva Sastry

Report

To accompany the Estimate for repairs to the Cattle Byre

The building was erected at a cost of £17433 in the year 19[illegible]

But unfortunately no proper means was put in hand in building the rooms here made - and the brick in mud walls are getting therefore very damp - and may collapse

Similarly much of the pine sheet gutters of the roof are leaking horribly and the brick in mud walls have in danger of collapsing

The floors of the Verandah in front of the bathroom leaks very badly -

The doors and windows require fittings in some places and locks -

The whole building requires limewashing inside and colour washing -

The [illegible] of the Estimate is
